Matt: Attached are just a few very minor additional suggested edits on the FR notice. Mostly nits and clean-up. Happy to discuss. Thanks.

Tod,

Not sure if you heard but we anticipate receiving FL's assumption package tomorrow and we should be able to make a completeness determination within days. The FR Notice announcing the receipt of a complete package takes quite a while to process so we are hoping to finalize the FR Notice asap. I know we've asked you to review several NHPA documents but for your awareness the FR Notice would be our highest priority.

Thanks again for all your assistance.

Matt

Tod,

Attached are draft NHPA consultation letters that we hope to send once we get FL's package. Could you please take a look and let us know if you have any edits?

Thanks for all your help on this.

Matt
